

**First Holy Communion**

Our Primary 4 children will celebrate their First Holy Communion Day tomorrow morning at 11.00am in All Saints Church. We wish the boys and girls well and hope that the weather is kind to them. All families are required to be seated by 10.40am at the latest. This is particularly important as the class photos will be taken before the Mass starts.

The mass will be followed with refreshments in the Parish Centre and a chance to meet up with staff and former classmates to take a trip down memory lane, with the opportunity to view many of the significant events of the last 10 years in our photographic display. So save the date and pass on the word.

*We look forward to seeing you there.*

**School Hurlers**  
Our school Hurlers travelled to Glenravel this week to play in the Cumann Na mBunscol 7 a Side competition. In sunny weather they played really well and had a great time. Well done boys!

### Monday Morning Mass

Primary 5 children will attend 10.00am Mass in All Saints Church on Monday morning. As the boys and girls will be walking to the church they will require a coat and suitable footwear.

### Headlice

We have received information from the Public Health Agency regarding a head lice treatment that has caused a child serious burns. This was because the product can be dangerous when exposed to a source of ignition. In the case of this child the source of ignition was a hairdryer which was used after the treatment had been applied. The product is Hedrin 4% Cutaneous Solution and it does carry warnings on the outer packaging about the dangers associated with heat sources.

### Head lice in Schools

From time to time all schools are affected by head lice. In recent weeks we have had some outbreaks reported to us by parents. This is normal, particularly in a school of over 400 children. In order to help us to manage any outbreaks children's hair should be checked regularly and any incidents reported to us. This helps us to take action including contacting parents of the children in a particular class if we feel this is required. This is usually done by sending home an advice leaflet. On occasion when we are the ones who discover that the problem exists with a particular child we will also contact the parents to inform them. However, we rely mainly on parents letting us know as they will usually be the first to discover the problem. Thanks to everyone in advance for their co-operation with this issue.

### Trip Down Memory Lane

We continue our look at life at St. Brigid's over the last 10 years in our photographs below.
